MULTILINGUAL MATTERS

A TRUSTED PARTNER AND EXPERT ADVISER FOR ALL YOUR TRANSLATION NEEDS

Our experienced project managers and translators offer an efficient service to help you capture new international market opportunities.

WE GUARANTEE:

A **bespoke** service throughout the lifecycle of your translation projects—from the initial consulting and analysis phase, through to multilingual management and delivery.

Top quality, end user-focused documentation in more than **60 language pairs** translated by qualified native speaker translators.

Delivery **on time** every time.

Teams tailored to your **business sector** and industry.

Content and publications that effectively convey intended messages to your **target markets** and customers.

Localization of your apps for smartphones and tablets, or interfaces for your machines, software and process control systems.

Quality control checks at every stage of your project, including a review by a second linguist.
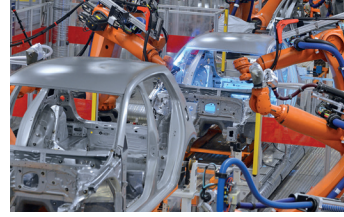

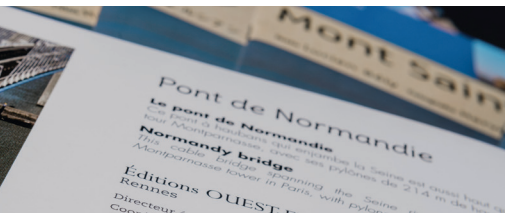

Consistent terminology and style throughout all marketing communications and projects thanks to use of dedicated CAT and CMS tools.
